A BIT OF HISTORY ABOUT EASTHAM

Welcome to our town! Eastham is located on the lower part of the Cape, bounded by Cape Cod Bay to the West and the Atlantic Ocean to the East.

Eastham was settled in 1644 by Pilgrims who had been dissatisfied with the poor soil and small land grants accorded them in the colony of Plymouth, across the bay. Before Eastham became an established town in 1651, it had been part of the Nauset Indian Territory. We have many streets and ponds named after prominent Chiefs of the Territory.

"First Encounter Beach" on the bayside was so named for a hunting expedition made up of men from the Mayflower—their sturdy ship had dropped anchor in Cape Cod Bay, and as the men came ashore they first encountered Indians. Fortunately, it was a friendly meeting!

As one drives through Eastham (on Route 6), the Grist Mill is much in evidence directly across from the Town Hall. Built around 1793 in Plymouth, it had been ferried across the bay to Provincetown and finally arrived in Eastham in the 1800s. Today it is the oldest wind-driven grist mill on the Cape. In a small cemetery not far from the Grist Mill, called the Cove Cemetery, three of the original Mayflower passengers are buried.

A third of Eastham is "the gate" to the National Seashore—which was created in the 1960s to protect the coastline from random construction and to preserve its dunes and shores from wind and surf erosion. Where the National Seashore's Visitor Center now stands, with its magnificent view of the Salt Pond below and the Atlantic Ocean beyond, once had been an eighteen hole golf course. The beautiful view must have been a bit of a distraction to the players!

Just opposite the Visitor Center is the Old Schoolhouse Museum. Dating back to 1869, it had been a one-room schoolhouse for the town of Eastham, with one entrance for the boys and one entrance for the girls. Painted yellow, it is very easily seen and outside the school a pair of whale jawbones prominently displayed, huge and white in color, seem to be on guard.

Eastham is fortunate in having two ocean beaches, Coast Guard Beach and Nauset Light Beach. Located adjacent to the beach is the Nauset Lighthouse, sister to the lighthouse in Chatham. This one, dismantled in Chatham and rebuilt in 1923 at Nauset Beach, is a favorite of photographers.

One of Eastham's earlier prominent residents was Edward Penniman, captain of several whaling vessels. He'd put to sea at an early age, but upon retirement returned to Eastham. In 1876 he built a massive yellow Victorian house on a knoll overlooking the Atlantic Ocean in the Fort Hill section of Eastham. This area is now included in the National Seashore and many of the artifacts Penniman brought for his home are now on display at the Visitor Center Museum.

Eastham enjoyed an incidental "claim to fame" from the ending of the 19th century until the 1920s, as "The Asparagus Capital." Its sandy fields provided excellent growing conditions for crops to be sent to markets in Boston and New York.

Hopefully, this brief historical account of Eastham will give you a favorable impression of our interesting town.

EASTHAM FORUM

The Eastham Forum is a citizen's advocacy group, now celebrating it's tenth anniversary, with a membership of 450. Its goals are preservation and enhancement of the quality of life in Eastham through positive action and citizen involvement in local, regional and Cape-wide issues and Town government. Activities that encourage involvement of the membership include research, education, sponsorship of public meetings, a quarterly newsletter (*Forum Notes*), and positive, organized action on issues of concern for Eastham.

The most visible example of this positive action for Town improvement is the planning, planting and maintenance of EFFI's (Eastham Forum Flower Islands) at various roadway intersections around Eastham and at Town Hall. These efforts are supported by donations and funds obtained by collecting and redeeming beverage cans and bottles. Annual dues are \$10.00. For further information, write Eastham Forum, P.O. The Eastham Painters Guild

Cape Cod is well known for its many artists and the Town of Eastham is no exception. Organized in 1981 by Jean Daley, the Eastham Painters Guild has twenty members. It is among the few juried art groups on the Cape.

The dedicated artists displaying their work are all Eastham residents. Art lovers will find a diversity of subject matter from local scenes to flowers to the abstract. All the paintings are original works in a variety of mediums. Among the paintings you will find oils, watercolors, pastels and monotypes.

Eastham Painters Guild provides the opportunity for people to view the paintings in an "outdoor gallery setting" on the lawn of the Old Schoolhouse Museum, across from the National Seashore Visitor Center. Shows are held on Thursdays and Fridays in July and August and some Saturdays in June and September. A complete schedule of shows can be obtained at the Eastham Information Booth. There is no admission charge.

THE CAPE COD BIKE TRAIL

The Cape Cod Bike Trail provides an opportunity for bicyclists and hikers to enjoy a very special encounter with Cape Cod's charm and beauty. The Trail follows the route of the old Penn Central Railway tracks. Today the tracks and ties are gone, but the remarkably picturesque scenery remains.

Within and around the Trail are heavily wooded forests, lakes and quiet kettle ponds; salt marshes, winding creeks and sandy beaches. Just off the the Trail side trips offer ocean beaches and fishing piers, country stores and quaint villages; parks, picnic areas, places to lodge and places to dine. Whether you are walking or biking, the Trail is an enjoyable and fulfilling way to experience Cape Cod at its very best.

THE EASTHAM WINDMILL

*"Back of the loaf is the snowy flour,
And back of the flour the mill,
And back of the mill is the wheat and the shower,
And the sun and the Father's will."*

Maltbie Davenport Babcock

To the early settlers all over New England mills were of great importance. This was especially true on Cape Cod, known for many years as the "breadbasket of Plimoth." Tide mills, water mills and, in particular, wind mills proliferated on Cape Cod. Millwrights were scarce and records of their work scarcer yet. The first known wind mill was built in Watertown in the 1630s, a post mill, it was moved to Boston neck after only a few years. Eastham's windmill is a smock mill of an English/French style most probably built by Thomas Paine (of Eastham) in the early 1680s. He was active at that period, building mills in Barnstable, Sandwich, Eastham and other parts. Our mill is believed by local legend to have been built in Plymouth at that time and subsequently moved to Truro (1770s) and once again in 1793 to Eastham. Ed Milliken, who did extensive restoration in the 1960s found evidence that the mill has indeed been dismantled twice.

The mill was moved to its present site about 1808 when the miller, Seth Knowles, sold the land by the Salt Pond where the mill was located and removed the mill, without dismantling it, to its present site. As a comment, the Eastham Windmill is the only Cape Cod windmill still on a working site, the others all having been moved in order to preserve them. The windmill green was where local farmers came for grist and meal and whatever local gossip or news was to be had. Today's visitors get gossip, news, stories, meal; and, thanks to the generosity of many people who love Eastham, our mill is restored and back in good working order. With care the old mill will provide a focus for many more generations of Eastham residents and their visitors. Open 10 a.m.-5 p.m in the summer.

THE CAPE COD NATIONAL SEASHORE

President John F. Kennedy signed a bill on August 7, 1961 making the Cape Cod National Seashore a reality. The Seashore includes approximately 27,000 acres of uplands in six towns—Chatham, Orleans, EASTHAM, Wellfleet, Truro, and Provincetown. The work of the Cape Cod National Seashore involves conservation and preservation of the magnificent natural surroundings of the Cape as well as highlighting certain natural and historical sites for the enjoyment of visitors. The Cape Cod National Seashore offers visitors approximately 30 miles of the finest seashore on the Atlantic Coast.

SALT POND VISITOR CENTER, Eastham, located off Route 6, is the nucleus of the National Seashore and offers an orientation film, exhibits on Cape Cod human and natural history, and a bookstore. For current information call: 255-3421.

A Variety of Unique Features of the Seashore in Eastham Includes:

Walking—Self-guiding trails include Nauset Marsh, Buttonbush (special text in braille), Fort Hill (a favorite for bird watchers and nature photographers) and the Red Maple Swamp. Park trails in several locations have been surfaced to accommodate wheelchairs. These include the Doane Rock area which contains a 1/2 mile loop trail and accessible rest rooms and picnic sites.

Biking—A beautiful bike path from the Salt Pond Visitor Center directly to Coast Guard Beach.

Historic Features—Penniman House, Indian Rock, Doane Homesite, Nauset Light, and Three Sisters Lighthouses.

Overlooks—Fort Hill, Salt Pond Visitor Center and Nauset Light Beach.

BEACHES—**Coast Guard Beach**—off Route 6 at the Salt Pond Visitor Center—follow Nauset Road and Doane Road to the beach. (Parking during the summer season is nearby the beach and accessible via shuttle bus, trail or bike.) **Nauset Light Beach**—off Route 6, turn right onto Brackett Road and follow Cable Road to the beach. Both have swimming areas with lifeguards on duty during the summer season.

Programs—Day and evening programs are available in the summer and on a reduced schedule the remaining part of the year at the Salt Pond Visitor Center.

Many park facilities and services are accessible to disabled visitors. Inquire at Salt Pond Visitor Center for details, or call 255-3421

EASTHAM NON-RESIDENT TAXPAYERS ASSOCIATION, INC.

The Eastham Non-Resident Taxpayers Association was organized over 37 years ago and incorporated in 1973. The purpose of the Association is "to work for the betterment of the whole community of the Town of Eastham" while attempting to keep its membership informed on what is happening in Eastham, particularly during the off-season when its membership is off-Cape.

The membership this past year was approximately 738 families. The group is governed by an Executive Committee composed of the officers and members of a Board of Directors. The Committee meets during the summer and on occasion during the off-season.

The major operation during the winter months is to provide the membership with newsletters. The Association holds at least two membership meetings during the summer. It is during these summer meetings that we make it possible for our members who may be on Cape to meet with our selectmen and for the selectmen to recognize that the group speaks for so many of the non-resident taxpayers. This is just about the only voice the non-resident taxpayers have as we are unable to vote in spite of the fact that we do pay an estimated 70 percent of the operating cost of running the town.

Among the concerns of the group over the years have been water quality, zoning by-law changes, proposed golf course, traffic, landfill problems, and those concerning the trash transfer station and SEMASS, the building moratorium, bike path extension, Horton property purchase 2½% override, windmill restoration, tax problems and Title V.

All non-resident taxpayers in the Town of Eastham are invited to join us. The annual dues are \$10.00 per family and contact may be made by writing us at P.O. Box 772, Eastham, MA 02642.
